SHORELINES LAKE GASTON LADIES CLUB

An Official Publication of The LGLC Volume 27, Number 4

Welcome to November: a month filled with crisp, cool weather and stunning autumn colors lining our lakeshores and highways. It's amazing how quickly time flies—Thanksgiving is nearly here, and the holiday shopping season is upon us. I'm delighted to share that our October gathering was a special day, as we enjoyed our annual craft show. The variety of gorgeous handmade items was wonderful and offered something perfect whether you were shopping for yourself or searching for meaningful gifts for friends or loved ones. Thank you to each vendor who participated and helped make our craft show such a successful day.

November holds special significance with several meaningful dates that touch the hearts of many. One particularly important day is Veterans' Day on November 11, which gives us the chance to honor and show our deep gratitude to the courageous service members who have dedicated themselves to the U.S. Armed Forces. I encourage you to take time to pause and think about the freedoms we enjoy every day, made possible by the sacrifice and commitment of so many brave individuals who work tirelessly to protect our nation and our liberty.

On Friday, November 13, we celebrate World Kindness Day. I'd like to encourage each of you to demonstrate kindness to at least one person—whether that's a family member, a neighbor, or a friend you haven't connected with recently. Sharing kindness with others is such a beautiful way to brighten someone's day, and the wonderful thing about kindness is that it spreads from person to person.

When November arrives, our thoughts naturally turn to Thanksgiving, a cherished holiday that invites us to slow down, reflect, and give thanks for all the wonderful connections and blessings we have. This month is the perfect time to celebrate the meaningful relationships we've built through the LGLC, a community that grows stronger through our shared moments, mutual support, and laughter together.

One of the most exciting events of our year is our annual Fashion Show held at our November meeting. This year we're thrilled to have 24 models showcasing fashions from four wonderful local retailers: Lundy Layne in South Hill, Wardrobe and Vine in Lawrenceville, Lake Life in Elams, and Reclaim Sustainable Style in Littleton. I've had the pleasure of visiting all four of these fantastic shops, and I'm confident you'll love seeing the stunning outfits our models will be showcasing.

In addition, at the November meeting some of our local non-profit organizations around the lake will join us before the meeting at 9 a.m. This is such a great chance for you to learn more about these non-profits and discover what drives their important work. Plus, if you've been thinking lately about volunteering and getting more involved in our community, this event might just be the perfect way to discover where you can make a real difference.

Happy November to all the amazing members of the Lake Gaston Ladies Club! I wish you a month brimming with happiness, meaningful moments, and the special warmth that comes from true friendship.

Hugs, Jennifer

Lake Gaston Ladies Club – Community Outreach Update: November 2026

The "Support Our Troops" care package hygiene items project is in full swing. To date we have collected over $1,000 and many individual hygiene items to send to deployed troops in time for delivery during the holidays. In addition to the hygiene kits, at the September and October Holiday Cards were signed and will be delivered in time for the holidays.

How can you help? We will continue to be collecting items and/or suggested donations of $20 through the end of October (no later than 10/31) that can be **dropped off at the Lake Gaston Chamber of Commerce.**

What are we collecting? New, Regular size or Travel Size (3.0 oz minimum), unscented when possible and NO Pressurized or Aerosol, Disposable Razors, Body Wash and/or Face Wash, Body Lotion, Deodorant, Shampoo and/or Conditioner, Chapstick, Mouthwash, Q-tips (travel size), Foot Powder, Sunscreen, Wet Wipes (individually wrapped).

What are the other projects that you will be able to help with in the New Year?

1. In the spring we will be doing an outreach for the **Selah Center** which is a **Pregnancy & Parenting support center** that provides material resources such a diapers and bottles and other items for the new journey into parenthood. Our goal for this project is to raise at least $500.
2. **Valentine Snack Baskets** will be provided to the **staff of the group homes** we supported last year.
3. A donation of **paper products to Union Mission in Roanoke Rapids**. This donation will help with weekly meals prepared and distributed from their soup kitchen.

Your generosity over the past years has been remarkable, thank you for your ongoing support of individuals in need. Each of you are a blessing.

If you have questions or need additional information, please contact:

If the weather is bad, a table will be set up just inside the doorway for your donations. Food can also be dropped off throughout the month at:

Chamber of Commerce M-F 8:30 to 5 p.m.

One of the 4 cupboards which are located at...

- Kingswood United Methodist Church on Highway 903 in Bracey

Anyone who donates will receive a giving ticket for a home baked item which will be drawn at each monthly meeting. Thanks to all the ladies who delivered donated food to the yellow boxes throughout the month!
